

THE BAOBAB

A grand adventure inspired by NATURE.

Your recreational space will never be the same!

Jambette is pleased to present the latest innovation in super-climbers, the BAOBAB. Just like it's African counterpart known for its longevity, this majestic structure will reign over your park with nobility and character for years.

The Baobab can accommodate more than 10 children and its four climbing levels give young climbers an unrivalled psychomotor challenge.

Designed and manufactured in our Lévis factory, you are guaranteed quality and availability.
