

## BASIC FEATURES

AGE GROUP: 18 months to 5 years old

CHILD CAPACITY: 2 children

## DESCRIPTION

Game counters help to promote the social and imaginative development of children. By providing a counter underneath the structure, it encourages children to simulate role play. The design engraved on the plastic panel represents tools complimenting a workshop theme.

## ANCHORING

### ON STRINGERS

This product is anchored to the ground by a system of galvanized steel stringers. Some parts of the stringers may be made of recycled plastic.
