

MANY COLOUR CHOICES

Jambette.com

1 877 363-2687

ANTIMICROBIAL PAINT, A FIRST IN THE INDUSTRY!

All coatings (paints) now applied to Jambette equipment have antibacterial and antiviral properties.

A - METALLIC ELEMENTS*

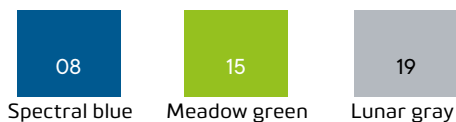

B - MOULDED ELEMENTS

* This color is not available for tunnels and cylindrical slides.

D-CLIMBING HOLDS

hot-dipped
galvanized

* Should you select the Seaside Solution, you only need to choose a colour for the play structure posts, as all other metal components are hot-dipped galvanized.

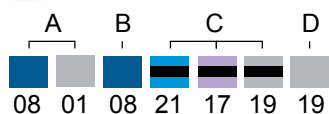

Actual colours may vary from the colours shown above.

C - PANELS AND ADDITIONAL ELEMENTS
